

Trash Truck Driver

Jerome L. Taylor Trucking, Inc. is looking for a **Trash Truck Driver** to operate Rear Load collection vehicles, to join the team at our hauling location in **Upper Marlboro, Maryland**. We offer a comprehensive array of benefits: Amazing medical, dental & vision, 401K with match, provided uniform/PPE, paid time off and holiday pay, employee discount programs, and more!

About the Job: JLT Trucking Drivers operate heavy-duty trucks and are responsible for the collection of waste or recyclable material. Drivers will transport the material to a disposal, transfer or recycle facility when trucks reach legal load capacity. Drivers safely maneuver vehicles and navigate high traffic and congested roadways, driveways, alleyways, and lots.

What Does It Take to be a Driver at JLT Trucking? Below are the minimum qualifications to be a JLT Driver.

- Must be at least 18 years of age
- Hold a current Class A or B Commercial Driver's License with an air brake endorsement.
- Legally eligible to work in the United States.

What You'll Do To be successful, you'll be expected to perform the following tasks:

- Employee will be assigned a specific line of business based on experience. While many of our vehicles are automatic, some require experience with standard transmissions.
- May be hired to fill Roll-off, Residential, Commercial, or Swing position based on experience.
-

Work Environment: Listed below are key points regarding the physical requirements, and work environment of the job. A reasonable accommodation may be made to enable individuals with disabilities to perform the essential functions of the job.

- Required to use motor coordination with finger dexterity (such as keyboarding, machine operation, etc.) most of the work day;
- Required to exert physical effort in handling objects less than 75 pounds occasionally;
- Required to be exposed to physical environment which involves dirt, odors, noise, weather extremes or similar elements most of the work day;
- Normal setting for this job is: outdoors and/or driving a vehicle.

Note: The level of physical effort may vary from site to site and in some cases be greater or lesser than documented here.

Responsibilities: to perform this job successfully, an individual must be able to perform the following tasks.

- Operates vehicle in accordance with JLT Safety Rules, OSHA (Occupational and Safety Health Act) and DOT (Department of Transportation) requirements as well as all local, state and federal laws.
- Performs pre- and post-trip inspections of assigned vehicle and documents checks utilizing the standard DVIR (Driver Vehicle Inspection Report).
